Dear Lord,

We come as one today to decree into our City, our Counties and our State that the Almighty God who caused us to be birthed and to become His child has a righteous path for us through everything we are facing as a nation today. We have come here to decree that this City, this County, this State will swing with you and your plans, Lord. We decree Psalms 19:1-4: The heavens declare the glory of God; and the firmament shows His handiwork. Day unto day utters speech, and night unto night reveals knowledge. There is no speech nor language Where their voice is not heard. Their line has gone out through all the earth, and their words to the end of the world.

We decree as Watchmen we will watch and hear during the day and in the night what you will say to us. We will obey every instruction.

We decree we are finished with the last season in this City, County, State and we are looking and listening to you for your prophetic voices that will begin to overcome and rule in the new season over the enemies of our future. We are receiving a new finishing anointing for the new season we are advancing toward.

We will stand and strike the ground again and again and again and again and again and again and again, as you speak the words of wisdom and revelation to bring this territory into your destined purpose, we will declare all we hear. (2 Kings 13:14-19).

We will not be overcome by our enemies who want to stand in the gate of our future and manipulate, control and confine, exercising stolen authority within these boundaries. We will occupy these gates planting your word in this threshold. We will obey your word by being strong and courageous (Deuteronomy 31:7). You are our life and the length of our days (Deuteronomy 30:20).

We will stretch out the spear placed in our hand toward your promises we will take back and occupy our land. Israel's offensive is warring even now in Operation Spear to take back and occupy their land. Lord, we acknowledge and recognize you as our Joshua in this battle. (Joshua 8)
